## EDUCATION

| Degree/Certificate                         | Institute/Board | CGPA/Percentage | Year           |
|--------------------------------------------|-----------------|-----------------|----------------|
| B.Sc. in Computer Science & Data Analytics | IIT Patna       | 9.40 (Current)  | 2024 – Present |
| Senior Secondary                           | UP Board        | 87.22%          | 2023           |

## EXPERIENCE

- **Digital Dreams Systems**

Mar 2026 – May 2026

Software Development Intern (Full-Stack)

Prayagraj, India

– Engineered the backend architecture for **edu-Tracker** (a live ERP application with **10K+ Play Store downloads**), accelerating API response times using **.NET Core** and **C#**.

– Developed an automated **Python-based data analytics pipeline** processing Excel datasets of **5,000+ rows** to generate standardized PDF student reports featuring interactive heatmaps and pie charts.

– Designed and integrated scalable RESTful APIs, improving data retrieval efficiency for student analytics by **20%**.

– Configured secure authentication models and optimized database queries leveraging SQL Server and Entity Framework, managing secure access for **10,000+** app users.
- **Open Source Connect Global (OSCG’26) – NexFellow**

Feb 2026

Open Source Mentor & Contributor

Remote

– Mentored a cohort of **15+ students** in full-stack web development, guiding them through **MERN stack** architecture and open-source workflows.

– Resolved over **25 frontend and backend issues** across **3+ open-source projects** using **TypeScript** and React.js.

– Reviewed **30+ pull requests** and optimized RESTful APIs, actively improving project stability and peer-learning standards.

## PROJECTS

- **AI RESUME BUILDER**

2026

SaaS Platform with AI Content Optimization

Live | Github

– Developed a full-stack SaaS platform using **Next.js** and **TypeScript**, engineering real-time document rendering and instant PDF generation capabilities.

– Integrated **Gemini AI API** to deliver automated job description enhancements, accelerating the user resume creation process by **30%**.

– Scaled platform infrastructure to support **500+ active users** within the first month, implementing robust JWT authentication and MongoDB databases.

– **Tech:** Next.js, TypeScript, Node.js, MongoDB, Tailwind CSS, Gemini API, Vercel Serverless.
- **IBM Data Science Interactive Dashboards**

2026

Automobile Sales & Stock Revenue Analytics

Live App | GitHub

– Developed interactive data visualization dashboards using Python to analyze historical sales fluctuations and stock revenue trends across datasets containing **10,000+ records**.

– Engineered custom UI components with dropdown filters for real-time comparative analysis between recession and non-recession periods.

– **Tech:** Python, Dash Framework, Plotly Express, Pandas, Jupyter Notebook.
- **Forever E-Commerce**

2026

Full-Stack MERN Platform with Admin Panel

Live App | GitHub

– Built a complete e-commerce application featuring a customer storefront and a secure admin dashboard, accelerating real-time order tracking and processing efficiency by **25%**.

– Integrated 2 secure payment gateways (**Stripe** and **Razorpay**) alongside Cash on Delivery to provide flexible checkout options.

– **Tech:** MongoDB, Express.js, React.js, Node.js, Tailwind CSS, Cloudinary, Stripe, Razorpay.

## TECHNICAL SKILLS

- **Programming:** C++, Python, JavaScript, TypeScript, C#, SQL

• **Web Development:** MERN Stack, Next.js, .NET Core, Web API, Tailwind CSS, HTML/CSS

• **Data Science & Analytics:** Machine Learning, Data Analytics, Pandas, Plotly, Dash, Power BI, Scikit-learn, Excel

• **Tools & OS:** Git, GitHub, Docker, Jupyter Notebook, Linux, Windows

## POSITIONS OF RESPONSIBILITY

- **Kotak Mahindra Life Insurance – HR Apprentice:** Managed payroll processing and employee data manage-

ment workflows under the LEAP program for **100+ branch employees**, streamlining operational efficiency by **20%**.

Dec 2025 – May 2026

## CERTIFICATIONS & ACHIEVEMENTS

- Foundation Certificate in Computer Science and Data Analytics - IIT Patna

Sep. 2025
- Official Mentor (OSCG’26) - Open Source Connect Global

Feb. 2026
- IBM Data Analyst Professional Certificate (Coursera)

Apr. 2026
- INSPIRE Scholarship (SHE) - Top 1% in Class XII Board Exams

2023
